Objective

To obtain a challenging role as a Video Editor and Videographer, leveraging my experience in handling 20+ clients, creating high-quality video content, and managing social media to enhance brand visibility and engagement.

Experience

- IUNOWARE PRIVATE LIMITED** March 2025 - Present
Video Editor & Videographer
I have one year of experience in video editing, video shooting, and social media management. I have worked with 20+ clients across industries like restaurants, jewellery, clothing, construction, interiors, makeup studios, and bakeries.
I am skilled in Adobe Premiere Pro and CapCut, creating high-quality videos with effects, color correction, and audio enhancement. I also handle video shoots with proper framing and lighting, and use AI tools for modern edits.
Additionally, I manage social media by planning content, posting, and improving engagement through trend-based content.
